
Sixteenth Annual Presidential Open
To Benefit SAME Baltimore &
Chesapeake Posts'
Education & Mentoring Funds

Rocky Point Golf Course
Wednesday June 23, 2010

The Society of American Military Engineers (SAME) promotes the engineer, scientist, and architect career fields at colleges and universities through scholarships. Through the Education & Mentoring Fund, we are also able to provide outreach to middle and high school students interested in engineering and the sciences (engineering contests, summer camps, etc.). The Golf Tournament is our premiere fundraising event to support these efforts.

Situated along the Chesapeake Bay, Rocky Point combines a groomed championship golf course with panoramic views of the Northern Chesapeake Bay. Help us make this worthy cause a success while having a great day of networking and fun!

Join us in this worthy cause for a day of professional networking and fun!
